## "Turning of the Leaves" festival held in Augusta

The morning air was crisp as the "Turning of the Leaves" festival began on Saturday. As the day progressed, the temperature increased helping to warm visitors to Augusta as they walked along Main Street searching for early Christmas gifts and seasonal decorations. Scarecrows and pumpkins along with fall leaf garlands lined the streets in front of businesses and at the vendor booths. This added the touch of color needed to announce fall was arriving. Most of the trees have yet to display their beautiful autumn colors of oranges, reds and yellows. Winners from the day's decorated pumpkin and scarecrow contests can be found on page 5.

### Fall Day in Brooksville

...is punctuated by the twelve o'clock siren from the fire department, a tradition in countless country towns. On the wall a sign read, "Be nice to the Bartender - Help is Hard to Get."

Good food is not hard to find, however. You can still get a meal or fried chicken, green beans, corn, salad and coffee for a buck and a half—served with great good friendship.

Brooksville sits at the crossing of Ky. 10 and Ky. 19 nine miles from Augusta and the Ohio River, Both of these roads were important in the early settlement and commerce of Kentucky

Ky. 10, which wanders from Maysville to Alexandria, was first known as the Buffalo Trace Road, later as Washington Trace after the countryside was surveyed by George and Lawrence Washington. This became a major east-west route of the day.

Ky. 19 runs from Augusta deep into the Bluegrass of Georgetown. This was once a major shipping route for the commerce of the Bluegrass carried by Conestoga wagon to the river port at Augusta.

The town was first known as Woodward's Cross Roads

and renamed Brooksville when, in 1839, David Brooks was instrumental in getting the legislature to establish the village as the seat of Bracken County Government.

One of those early Woodwards built a modest brick hotel for the accommodation of travelers in 1784. Mrs. Hazel Ware, 72, operates the old hotel, now called Howard's Hotel for the son of a former owner.

From time to time while the two court houses were being built, the hotel served as the seat of county government—with the dinner bell tolling for meals and court sessions.

Mrs. Ware makes her home in the hotel - its bricks now painted white - and two of the five rooms are home for her daughter and granddaughter. Only an occasional guest stays at the hotel these days, but Mrs. Ware doesn't mind.

She has lived here for 25 years. The daughter of a Bracken County farmer, her late husband once carried the mail from Augusta to Brooksville and was later a butcher. It's nice, she says, not to have to lock doors all the time. "Here I can walk anywhere I need to go, to the store and the Christian church"

## Medicare Part D Check-Up: Choosing a Plan for 2013

Doing a Medicare Part D check-up is just as important as a yearly check-up with your doctor. Plans can change from year to year so don't assume the plan you're happy with this year will necessarily be the best one for you in 2013.

Schedule your Part D check-up for October 15 through December 7. During this period you can enroll in a Medicare prescription drug (Part D) plan if you missed enrolling earlier. If you already have a Part D plan you can choose to enroll in a different plan for 2013.

Take a close look at the premium, your cost each time you fill a prescription, and the drugs covered by each plan. The State of Kentucky's Senior Health Insurance Program (SHIP) found that a large percentage of people for whom they did Part D comparisons last year, saved money by changing plans.

Help could also be available to Medicare beneficiaries to assist with paying their Part D Premiums. Last year in Kentucky 49 percent of people with a prescription drug plan were eligible for assistance. Please contact a SHIP counselor to determine if you qualify.

If you need assistance is comparing your Medicare Part-D Plan the following dates and locations have been scheduled in your area. Call (606)564-7084 or 800-998-4347 to schedule an appointment with a SHIP counselor.

## Adopt-A-Shelter-Dog

This Mastiff was left in the drop off pen. I know there are several in Bracken County, so if you know the owner of this guy, give us a call at 735-3475. We also have a nice looking Golden Retriever and a nice Great Pyrenees ready for adoption.

I want to encourage horse owners to prepare for winter now by making sure you have enough hay for the winter coming. Poor hay is a bad investment and will not keep horses once grasses are gone. If someone gives you a free horse it may seem like a good deal, but to keep a horse from starving during winter months you will spend an easy \$500.

Starving, neglecting or abandoning animals are serious charges and if you do this in Bracken County you will go before a judge.

## Two Minutes WITH THE BIBLE

by Cornelius R. Stam, Founder  
Berean Bible Society  
PO Box 756 Germantown, WI 53022

### GRACE NOT EARNED

by Pastor Cornelius R. Stam

Have you ever noticed that God does not hold the great men of Scripture up to us because of their personal goodness? Almost invariably their records are marred by failure and sin, but God bids us look at their faith, to see what their faith did for them. Even those who lived consistently good lives are not held up to us for their personal worth, because God knows their imperfections. Thus Rom. 4:2,3 says:

"For if Abraham were justified by works, he hath whereof to glory— but not before God. For what saith the Scripture? Abraham believed God, and it was counted unto him for righteousness."

And Verse 6 goes on to say about David:

"Even as David also describeth the blessedness of the man unto whom God imputeth righteousness without works."

This is because man cannot live a life good enough to make him acceptable to God, for with God only perfection is good enough. One sin spoiled the earth; God will not allow one sin to spoil heaven too. This is why in grace He gave Christ to die for our sins and to pay the just penalty for us. Because of the all-sufficient payment of Christ in our behalf, God can now be "just, and the Justifier" of those who place their faith in Christ (Rom. 3:26).

The famous eleventh chapter of Paul's letter to the Hebrews bears out the fact that salvation, or acceptance with God, is obtained, not by human effort, but by faith. This great chapter on the heroes in God's "Hall of Fame," begins with the words: "For by it [faith] the elders obtained a good report," and then goes on: "By faith Abel . . .," "By faith Enoch . . .," "By faith Noah . . .," "By faith Abraham . . .," etc., and closes with the declaration:

"...these all...obtained a good report through faith..."

On this beautiful Autumn Sun., Oct. 14, we had 128 to worship service.

On Saturday evening we had 61 present for the weiner roast. Just a great time of Christian fellowship.

We were glad to have Wayne Keith with us, blessing us with messages through song.

Jane Nelson played "Sweet Hour of Prayer" and a toe-tapping "Since Jesus Came Into My Heart".

We welcome Bro. Bruce & Dorothy this morning and look forward to getting our toes stepped on this week! We pray that each message we hear we will apply it to our lives and strive to be a better person for the Lord.

Remember in prayer: All the names on the prayer list and always each other. Ron Foley will be having surgery this week on his kidney stone, Stress fractures in the foot... Barbara Howard, Debbie McElfresh, Jami Clos, and Rita Clos. Geneva McKenzie (in hospital), Martha Lynn (total knee done in a few weeks), Dennis Jefferson (surgical procedure on back Oct. 25), Roxanne Fooks (had colon surgery), Ethel Staggs has been having test, Bill William (pneumonia), Edith Ulrich (problem with eyes). Carolyn Cox (had MRI on knee), Susie Fathergill, Bob Florer, Ruby Silvey, Shawna McKenney, Toby Jones, Gary Norris, Terry Hall (chemo treatments).

Sympathy goes out to the family of Dorothy Tuel in her passing this week. May God bless each of you and give you strength from above. Our prayers and thoughts are with all those that have lost loved ones.

Bro. Bruce's message was from Song of Solomon. "The Little Foxes that Spoiled the Vines". Sin is deadly. The answer to sin is JESUS.

Oct. 19-21 - Revival at Bethany Church of Christ 7 p.m.

Sat., Oct. 27 - Harvest Party 6 p.m.

A special hello from the church mouse to Henry & Cynthia Moorhead, of Maysville. It was reported they read the church articles and we sure do appreciate the kind words. I always think of "Miss Nancy" and remember how wonderful she was to me. She was a blessing sent from God and she touched my life and made a difference. May God continue to bless both of you.

Let your little light shine for Jesus.

#### OAKLAND CHRISTIAN by Barbara Browning

Anyone who has doubts about our God just needs to look at His handiwork in the trees around us. Aren't they beautiful? Of course, we realize the seasons are changing, but it is lovely to view.

The worship service was devoted to the Lord's Supper. Why is it so important - because Jesus founded it and it forces us to look within ourselves. It is a time for reverence and a time to remember Jesus.

Remember the Revivals this week at Chatham (through Friday) and Bethany (just Friday, Saturday, and Sunday).

October 21, 6:30 p.m. is our "Walk Through Bethlehem" organizational meeting, with a chili supper. Dates for WTB are November 24, 25, and December 1, 2.

Youth Sunday is October 28.

Prayer concerns include Michelle Caldwell, Billy Harrison, Judy & Rufus Bex, Gary Norris, Judy Monson, Charles Lee Ramsey, John McAlonan, Lanny Shepherd, Angie Hemphill, Kathy Bell, Ron Foley, Janet Bishop, our college students, shut-ins, armed forces, and the upcoming election.

#### NEW LIFE FELLOWSHIP by Beverly Whittaker

We welcome all that came to worship with us this summerlike Lord's Day, October 14. If you do not have a church home, we invite you to come and be a part of the New Life family!

Pastor Jeremiah Hansen spoke of God as "The Way" in the Adult Sunday School class. Angela Tucker sang the special entitled "Holy Ground". Pastor Doug continued the series on God's design for marriage and this week spoke on hurdles to maturity with Matthew 19:7-9 as the text. There is no future in the past, you must move forward where you are at.

Don't forget to move your clocks back one hour on Nov. 4th.

Our fall celebration will be on Oct. 31 at 6 p.m. Kids can dress up in a costume (not evil themed) and there will be a hayride and refreshments.

There are many in need of prayer. We invite you to our Wednesday evening prayer service at 7 p.m. We have sandwiches and refreshments at 6 p.m. Our Sunday School classes for all ages begin at 9:30 a.m. and praise and worship begins at 10:30 a.m. Nursery and childcare are provided. We have begun a prophecy class on Sunday evenings at 6 p.m. Remember God loves you and so do we! Have a blessed week!

#### GREETINGS FROM ST. JAMES by Caroline Jefferson

October 11, 2012 to November 24, 2013 has been declared by Pope Benedict XVI a Year of Faith, which is a "summons to an authentic and renewed conversion to the Lord, the One Savior of the world", giving Catholics the opportunity to experience a conversion - to turn back to Jesus and enter into a deeper relationship with Him. We are urged to renew our baptismal call by living out the everyday moments of our lives with deepened faith, hope and love and to be an everyday witness to family, friends, neighbors and society by living the Gospel message.

On Saturday, October 13, more than sixty Catholics did just that by participating in our fifth annual Public Square Rosary Rally. While a bit breezy, we had a beautiful day to pray for our country that first and foremost, it will return to acknowledge God as Creator and giver of all life. On our own, we have no authority, but through God's gifts, we can care for our personal needs and those of society. At baptism, the "door of faith" was opened, but during this Year of Faith, we are called to open it again, walk through it and renew our relationship with Christ and His Church.

#### FIRST BAPTIST CHURCH OF AUGUSTA by Rita Bradford

Hello & God's Blessings from The First Baptist Church of Augusta. Brother Tony's sermon was titled "Wait Upon the Lord". (1 Kings ch 5 vs. 1 & 9-14). In this we want it right now generation, we don't always wait on the Lord to do what we ask. We just try to do it ourselves, only to make an even bigger problem.

Wed. Night Prayer Meeting begins @ 7:00 p.m. We invite you to come and join us as we wait upon the Lord to answer our prayer for His lost sheep. Feeling like God's answer may never come? We invite you to come join us as we learn how to wait patiently upon the Lord. Our Sunday School Classes begin @ 9:30 a.m. This week's lesson is titled "From Failure to Correction". This lesson will help you learn how to trust God with all areas of your life, not just the ones that you had success in. Sunday Morning Worship Service begins @ 10:30 a.m. Sunday Night Service begins @ 6:00 p.m.

#### Powersville Christian Harvest Festival Saturday, October 27

#### PRESBYTERIAN POTPOURRI by Les Grooms, pastor Augusta Presbyterian

This past Sunday started with meeting of our session, the governing body of the church. For the first time, we had a representative from our board of Deacons attending a session meeting. This week we had Millie Bush as a Deacon representative. We adopted a budget for 2013. A financial statement was submitted and was approved.

Today was youth Sunday. The youth of the church did all the leading of worship. Alen Gibson, son of Susie & Roy Gibson, had the message of the day. Alen is the youth pastor of the Cynthiana Christian Church. He brought forth a fine message. The other children of the church did a great job also.

A special award bible was given to Mackenzie Deatley by the deacons. Millie Bush and Susie Gibson gave him the award.

I sat in the congregation until the time came for sharing joys & concerns and for the pastoral prayer. I also did the benediction.

We had 61 in attendance. Vidie Grace was back with us. She has gotten someone to stay with Bob so she can come to church.

Our annual Spaghetti/Lasagna Meal will be Nov. 3. Our annual Craft Fair will be Dec. 1.

We had our monthly Bread Basket Meal this past Wednesday. It was well attended and it is the last cookout of the year. From now until April we will have different meals and then we plan to start having grilled meats each Bread Basket meal.

I met with Father Greg Bach and Frank Estill this past Friday when we reviewed the work of the Ministerial Assoc. The association does great work in our community and we are planning to do more next year.

## Southern Lights Holiday Festival returns to the KY Horse Park

The Southern Lights holiday festival, presented by Toyota, is returning for the 19th year to the Kentucky Horse Park in Lexington, Kentucky, from November 16 to December 31. In September, the American Bus Association (ABA) selected Southern Lights a Top 100 event for 2013, which is an annual compendium of the best events for group travel in the United States and Canada. Winners are chosen from hundreds of celebrations, festivals, fairs, commemorative events, and more that have been nominated by ABA members.

With all the family-friendly activities offered annually, Southern Lights has been a well-known Bluegrass tradition for almost twenty years now. Kids of all ages delight in the holiday driving tour. Visitors take in displays of the Christmas Village, the 12 Days of Christmas, Keeneland Race Track, Show Jumping, Steeplechase and the Spires of Churchill Downs—each composed of thousands of twinkling lights. New this year will be several basketball themed light displays celebrating our 2012 National NCAA Champion UK Wildcats.

Southern Lights' indoor attractions prove to be just as popular as the driving tour with its holiday craft merchants, the KHP Gift Shop full of gifts for under the tree, seasonal entertainment and children's activities, the International Museum of the Horse, an exotic petting zoo, pony and camel rides, the Mini Train Express, model train displays and photos with Santa. In recent years, more than 27,000 cars and 114,000 people have attended.

Southern Lights is open from 5:30 to 10 p.m. nightly. Indoor attractions will be open every night except November 22 and December 24 - 31. ## Club News

### TRIPLE RIDGE

Triple Ridge Homemakers met at the lovely home of Roberta Shepherd on Mon. night Oct. 8. Prior to the beginning of the meeting the group was honored to have Bill Baker stop by to chat. His main purpose was to express his deepest thanks to the club for participating in the "Battle of Augusta" presentation. He brought a container of his homemade choc. ice cream for the group. So what does this group do first? They go for the lovely refreshments served by hostess, Roberta, and finished with the ice cream before doing any business. They believe in what comes first is "Food Before Thought".

Pres. Judith Richards called meeting to order and led the pledge. An inspiration "A Woman And A Fork" was read by Roberta Shepherd. Roll call was answered with a favorite Halloween we experienced. Thought for the day was "Not what lies before or behind us, but what lives within us".

Minutes, treas. report, committee reports, etc. were presented. Karen Sweeney told of a new program on Foods & Nutrition to be done. Any program on foods is acceptable with this group!

Roberta had a quilt at the area meeting and it received red. Anything we ever saw that she did deserved a blue. Voted new area secretary was Mary Lou Simons, of Germantown.

A service of the club during the month was to help at the meal after the service for Chris Baker. Cakes were baked by Margarette Carl and Brenda Welte. Helping serve the meal was Ina McCord & Sue Lucas.

Announcements made: Back Pack Program and Wintercraft. All agreed to give their little \$3 checks received from the county extension office back to the club treasurer.

Pres. Richards gave the lesson on "The Mind and Body Connection", meaning the way you think, feel, act. She demonstrated some physical activity, health benefits and stress & mediation overview. Most of the group qualify for the moderate intensity exercise called breathing! She gave a lot of helpful benefits to keep us fit.

Members present: Roberta Shepherd, Janie Appelman, Edith Ulrich, Janice Hicks, Karen Sweeney, Karen Russell, Louise Moneyhon, Sue Lucas, Ina McCord, Jenny Rice, Nancy Hicks, Margarette Carl, Brenda Welte, Edie Flaughter, Amy Fry, Judith Richards.

### FARMERETTES

On July 11 club members attended the play, "Fiddler On The Roof" in Falmouth at the Kincaid Theatre. Afterwards, we ate dinner at Edwardo's. Carol Klaber welcomed us to her home for delicious homemade ice cream & cakes.

On Sept. 12, Extension Agent Shannon Smith drove us in the van to Montgomery Co. where we toured Bramble Ridge Orchard and had lunch. Afterwards we visited Ruth Hunt's Candy Factory in Mt. Sterling. Club members appreciate Shannon driving us in the van. Enjoyable day!

Oct. 8 members met at Connie Bowling's home. Our Sept. lesson was given by Madeline Burgoon and Connie who demonstrated Stir-Fry Cooking. We thoroughly enjoyed a delicious dinner of chicken stir-fry, salad, homemade yeast rolls and choc. fudge cake. Connie shared her recipes with us.

The Oct. lesson "The Mind/Body Connection" was presented by Carol Klaber. Carol taught us some exercises. We practiced these exercises & plan to spend 30 min. each day doing some exercising, as we all realize we do not get enough of the right kind of exercises our body & mind need.

Carolyn Taylor gave the devotion and thought to remember is "What lies behind us and what lies before us is important, but most important is what lies within us".

Pres. Connie called the business meeting to order. Roll call was answered by recalling a favorite Halloween memory. Sec. report was made. We completed club enrollment sheets. Treas. Madeline collected our dues. We volunteered for monthly lesson leader & hostess.

Patty Ann Moorhead and Connie gave a report of Licking River Area Annual Homemakers Meeting which was held in Frenchburg this year. We were informed about Skills Day in Flemingsburg on Oct. 30. Deadline to register is Oct. 12.

Carol told of a new project for the county, making pillowslips for our service men & women. Several volunteered and we received instructions for doing so. Members decided to participate in the Backpack Program and we will bring items to the Dec. meeting.

Other members present: Martha Peddicord, Audrey McKinney, Virginia Bowles, Sue Baker. Our next meeting is Oct. 12 at Virginia Ann's home.

# Winners of Farm Bureau youth contests announced

Pictured left to right are Louise Moneyhon, Felicia Thornsburg, Owen Bell, Maria Hyrcza, Emily Kern, and Sarah Appelman.

The Bracken County Farm Bureau held their annual meeting on Tuesday night, October 9, at the county extension office. Officers and directors were elected for the new year of 2013. President - Leslie Newman, Vice-President - Alex Hyrcza, Secretary/Treasurer - Ina McCord, Women's chair - Louise Moneyhon, Young Farmers Chairman - Damian Smithers.

Louise Moneyhon was in charge of the youth contests. Winning in the outstanding youth contest

Winning the variety contest was Felicia Thornsburg, daughter of Jerry and Melany Thornsburg of Augusta, singing a solo. ## Foster families greatly needed

Bracken, Robertson, and Mason Counties are in great need of foster families at this time. There currently is only 1 family in Bracken, 5 in Mason, and 2 in Robertson County. Families are needed to take in children of all ages and sibling groups varying in ages. There has been a great increase in the number of children entering foster care in the recent months and has left very few placement options for these children. You must meet requirements and attend training to be a foster parent. If you are receiving any type of public assistance or your income is below the level the poverty level you will not be eligible.

This is for the state foster care program. There are many signs up in the area for private agencies that provide foster care services for children that are unable to place in DCBS homes, these children typically have issues or behaviors that need a specialized level of care. Please consider bringing a foster child into your home and call to enroll in the next available training session. You may call Dalawna Kearns 606-735-2195 for more information.

**TRASH TALK**  
by: Mr. Recycle Bin & Ms. Pick-Up Litterbug  
**606-735-9960**

Howdy Folks! Halloween is quickly approaching as is our final road clean of 2012! Those bright lime green t-shirts are not costumes but a sign alerting drivers that the Bracken County Litter Patrol workers are hard at it, cleaning someone's trash from our beautiful county roads. Please drive with caution so that all remain safe and sound! Across the Commonwealth of Kentucky in 2011 there were 15,056,840 pounds of litter picked up from state and county roadways at a cost of \$7.7 million! The Kentucky Pride Fund, Eastern Kentucky PRIDE, Bluegrass PRIDE, Transportation Cabinet, Adopt-A-Highway, and cities and counties contributed to the cleanup at a cost of 51 cents per pound which was an increase from 46 cents per pound in 2010. Bracken County's total cost per pound was approximately 58 cents per pound.

The success of litter abatement campaigns across the Commonwealth is evident in the reduction of litter being picked up along roadways. In 2011, counties cleaned 752,842 bags of litter on 183,387 miles of roadway. In Bracken County last year, our workers picked up 1,271 bags of garbage (roughly 31,775 pounds) while cleaning 259.57 miles of roadway at a cost of \$18,398.87. Of that amount, \$17,842.59 came from Litter Abatement Grant Funding. Most of the items found on roadways are plastic bottles and food containers. Even though Bracken County does not have a national fast food chain within its boundaries, there is a tremendous amount of litter picked up that originated with food from nationwide fast food chains! While the litter along public roads has been steadily decreasing, as you can see, it costs a lot of money, labor and time to collect garbage that should not even be on the roadway in the first place! We have coined a new slogan, "Please reconsider - don't litter!"

Division of Waste Management yearly and this information is compiled to reflect statewide totals. Along with litter abatement, information is collected on a host of other issues. For instance, Kentuckians recycled 34.3% of common household recyclables (aluminum, cardboard, steel, plastic, newspaper, glass, and paper) in 2011. Another interesting statistic shows that more than 25,225 illegal open dumpsites have been cleaned since 1993 at a cost of over \$70.6 million! Because the number of dumpsites has been reduced, funding was available to contribute to the cleanup of the devastation left by the March 2 tornado. \$1,475,000 was spent for cleanup efforts of debris that could have become illegal dumpsites. 604,000 PTEs (passenger-tire-equivalents) waste tires were recovered in 2011 from amnesties. Speaking of amnesties, we have been told that the Buffalo Trace District should have another tire amnesty in approximately one year in the fall of 2013. Of course, we will keep you up-to-date on any information regarding this amnesty.

While all the programs are great and contribute to the health, safety and well being of all Kentucky residents, the funding is ultimately the tax payer! Monies to run schools, libraries, ambulances, city, county and national governments, etc. come from funds accumulated through citizen supported taxes. It is our money that is funding these programs and we should try our best to help reduce costs wherever possible. In our opinion, the \$7.7 million spent on litter abatement should not even be a necessary expense! How hard is it for folks to carry a bag in the vehicle to hold trash to be properly disposed when reaching one's destination? Please reconsider, don't litter, but do RECYCLE, REUSE and REDUCE to keep God's earth clean, green and beautiful! Be seen' you - Bin & Bug.

KY State Police Asks Citizens to "Text a Tip" to Fight Crime

The Kentucky State Police is initiating a new proactive program where citizens are now able to text confidential tips from their cell phone. The program, "Text a Tip," is designed to report criminal activity, assist with neighborhood watch and serve as an additional resource for schools and college campuses.

"Text a Tip" is completely confidential and easy to use. Anyone with texting capabilities from personal electronic devices can simply text 67283 in the address field, then type KSPTIP in the message field, leave a space and then enter information about a crime. If your tip went through successfully, you will receive an instant confirmation text on your phone.

Web-based and phone tip lines have been around a while, but have the disadvantage of a perpetrator overhearing the person on the phone or that they required Internet access.

KSP Spokesperson, Sgt. Rick Saint-Blancard says "Text a Tip" is gaining ground because text messaging does not require verbal communication or Internet access. "Everywhere you go, someone has a cell phone with them," says Saint-Blancard. "Whether a person is at home or a large venue, like a sporting event or concert, they can text a tip to us without bringing attention to themselves."

Saint-Blancard says people who live in high-crime neighborhoods are often afraid that if they are seen talking to police, they could be subject to retaliation from drug dealers or other criminals.

"So when they have this option of texting us — knowing no one will know who they are — they are more willing to provide specific details and names about the activity," he adds. "Text a Tip" messages are sent to a separate, third-party server, where identifying information is stripped out and they are assigned an encrypted alias before being sent to police.

Text-a-tip programs are being promoted in schools across the country to report weapon threats and reduce bullying.

"No technology is more powerful than the eyes and ears of the public," adds Saint-Blancard. "The key is enlisting people on their own terms by providing a discrete, immediate and confidential reporting source."

KSP reminds citizens to keep safety in mind when texting tips.

"If a tipster is driving when they witness suspicious activity, we ask them to safely pull to the side of the road and place their vehicle in park before attempting to text in a tip," says Saint-Blancard.

The "Text a Tip" program is operational 24 Hours a Day / 7 Days a Week and is received and monitored by the KSP Communications Center. KSP openly solicits information from citizens on any type of crime occurring but encourages citizens to call "911" if the crime is in-progress or there is an emergency.

Detailed instructions of the program can be found on the KSP website at [http://www.kentuckystatepolice.org/pdf/text\\_a\\_tip\\_sheet.pdf](http://www.kentuckystatepolice.org/pdf/text_a_tip_sheet.pdf).

For more information about the "Text a Tip" program please contact the KSP Public Affairs Branch at (502) 782-1780.

# Cruise-In and car show benefits FRYSC Back Pack Program

This past Saturday evening's Cruise-In and car show in Brooksville benefitted the Bracken County FRYSC Back Pack Program. The program provides snacks and juices for the less fortunate children in the Bracken County School system to take home on Fridays, helping to ensure the students will have at least a small amount of food over the weekend. Ottie and Elizabeth Woods encourage all citizens to get involved and donate to this worthwhile program. For more information contact Trish Conley or Marilyn Heiert with the Family Resources and Youth Services Center office at 606-735-3349.

Big October finish for Louisville and Western?; then there's Kentucky

For entertainment (and a little prestige) college football game(s) of the year in Kentucky are at hand?

On Saturday Western Kentucky hosts Louisiana-Monroe for Hilltoppers homecoming. Western has won five of six and four in a row, the Warhawks (4-2) average 42-plus points a game.

A Western Kentucky win would catapult the Hilltoppers into, ready for this, post-season bowl consideration.

I hope ESPN schedulers recognize this could be a Barnum-and-Bailey show.

Following, six nights later (Friday, Oct. 26 on ESPN), unbeaten and 14th ranked Louisville hosts No. 18 Cincinnati (5-0) at Papa John's Stadium.

A Louisville win could push Charlie Strong's Cardinals a major bowl contender.

No downside to this lineup, right? Wrong.

More exposure for UofL and WKU means hotter pursuit of coaches Willie Taggart and Charlie Strong by football factories like Arkansas, Tennessee and others when the Coach Carousel opens for business after Thanksgiving.

THEN ... KENTUCKY

Joker Phillips took his beleaguered team to Fayetteville last week. By a little past nine o'clock local time, the four touchdown underdog Wildcats were down by five touchdowns, then six, then seven scores.

The scene brought to mind an exchange from the motion picture Forrest Gump.

Forrest: "No shrimp."

Lieutenant Dan: "Where the hell's this God of yours?"

Forrest: "It's funny

Lieutenant Dan said that 'cause right then ... God showed up."

In Fayetteville the other night the clock said 5:08 (in the third quarter) when God showed up. A lightning storm put an end to a 49-7 Arkansas shelling of hapless Kentucky.

We who have served up optimistics and 'maybe(s)' for decades in support of the idea Kentucky CAN compete in the Southeastern Conference, are left to wonder anew this sunny autumn week: Is God (of Football) ever going to show up in Lexington?"

A look around...

Louisville was a basketball school until God, uh, Howard Schnellenberger showed up in 1985.

Bluegrass neighbors? No. 15 West Virginia is a coaches poll perennial, No. 18 Cincinnati is 5-0 this season, and Middle Tennessee (4-2) is on the rise.

Farther out, Northwestern's Wildcats (6-1) are bowl eligible this week; and one-time UK homecoming patsy, Rutgers is 6-0.

So, Kentucky. Where's the

shrimp, Lieutenant Dan?

Big stadium, flashy scoreboards, spiffy uniform combinations, indoor practice facility, Keeneland up the road. Geography in autumn that makes central Kentucky into New England of the South.

There must be answers to ...

Why, beyond in-house arrogance, UK dumped Blanton Collier, snubbed Roy Kidd, then Howard Schnellenberger, did not so much as flirt with Florida assistant coach Charlie Strong.

Why instead, UK hired Charlie Bradshaw, John Ray and Hal Mumme.

Why a director of athletics (C.M. Newton) would lecture disgruntled fans 'if you don't like our program, go somewhere else.'

Why heavy-hit recruiter Tee Martin left this year for Southern Cal.

Why a list of unproductive defensive coaches is decades long all the way to Rick Minter.

Why Mitch Barnhart shamelessly raised ticket prices squeezing out fans with no deep pockets, which essentially cuts his football coach off at the knees.

Why a coach at Kentucky would brain hiccup: "you're either with us or against us."

And, finally, why migration of our state's best high school prospects, particularly in Jefferson County, has brought "anywhere but UK," back into vogue.

ANSWER: Perpetual incompetence and worship of basketball.

As vastly successful as Kentucky hoops has been for seven decades and counting, decisions for football reflect an astonishing combination of no vision, coattail complacency to Alabama, Florida, LSU etc., and a disgusting disregard for Wildcat football fans who keep coming back for more.

In a nutshell, this is largely why ...

There ain't "no shrimp!", Lieutenant Dan.

BASKETBALL

Big Blue Madness packed Rupp Arena last week. Highlights, lowlights?

HIGH. Court lighting. Gorgeous.

HIGH. Inclusion and introduction of players from past NCAA championship teams.

LOW. Wah Wah Jones, bless him, should have been introduced for applause, but the once 6-4, 220-pound All-American should not have been trotted out to center court.

LOW. Player introductions become a dance step contest. Does a one-and-done scholarship requirement include a lame dance routine? The dance-step introduction thing was cute ... once.

HIGH. Precedent established to invite back players from other NCAA title winners. For instance, John

Polar Bears hold senior night, fall to the Frankfort Panthers 66-0

The field was decorated with blue and white balloons and streamers.

Friday evening, October 12th, started off with a ceremony acknowledging all the Senior Band Members, Cheerleaders and Football Players. The players emerged from an icehouse tunnel filled with fog and lit up with flashing strobe lights. The weather was just perfect for football. It didn't take long to see that it just wasn't going to be a perfect night for the Polar Bears. They would end up falling to the Panthers 66 to 0.

This coming Friday the Polar Bears will be traveling to Paris. The game is scheduled to begin at 7:30 p.m. Since Paris beat Eminence, if the Bears win at Paris, then the playoffs should be held at home. Go Bears!!!

Crigler and Johnny Cox from 1958,

JUST WONDERING.

Nerlens Noel served up a flying dunk over Sam Malone's head. Is this show-off move to impress visiting recruits worth risk of serious injury before the kid so much as plays a Blue-White scrimmage?

THIS ... IS WINNING

Kansas coach Bill Self has been awarded the John R. Wooden Award.

The honoree is selected based on character, success on court, graduation rates of his program and coaching philosophy.

Self's Jayhawks have won eight straight Big 12 regular season titles and a Sweet 16 in six of nine years, including an NCAA championship and runner-up.

Kansas has achieved an Academic Progress Rate (APR) score of a perfect 1,000 in each of the last six years.

In the Bill Self era, Kansas has had 25 Academic All-Big 12 selections, which is best in the conference, and 26 of 27 four-year players at KU have earned their degrees.

PARTING SHOT

At Kentucky's Big Blue Madness why did women's COACH Matthew Mitchell do an introduction rap dance?

Mitchell's uncool show brought to mind late great comedian George Carlin who said, "You're never going to be cool as black guys. You're white and you're lame."

Mitchell should return to his ride-in-on-a-motorcycle dressed in black routine.

And so it goes.

Showing Up Is Everything

On Sept. 11 a forum was scheduled for our congressional candidates sponsored by the Shelby County Farm Bureau. This would be one of the few times Shelby Countians would see our District 4 congressional candidates, Bill Adkins and Thomas Massie, live discussing their visions for our district. So, months before, I requested off work and did my best to spread the word to all my friends and family to attend this forum on agricultural issues.

Everyone knows how important Farm Bureau is to our community and to this state. Through my own farming experience, my time in the leadership of the Shelby County FFA, my current work at Rural King and my own membership in the Shelby County Farm Bureau, I know, as do so many others, that agriculture is the lifeblood of our economy and our community.

The issues to be addressed at this forum are important to us all. And so, when asked several months ago if he would participate in this debate, Bill Adkins immediately said yes. And much, much closer to the date Thomas Massie declined his invitation. We deserve better in Shelby County than that.

For a while I just didn't understand. With more than 7,700 members in Shelby County Farm Bureau alone, how can a congressional candidate ignore such a powerful voice in our community? And then I read Mr. Massie's responses to the Kentucky Farm Bureau's congressional questionnaire. To multiple straightforward questions Thomas Massie gave the simple response of "I am not familiar enough with this issue to address the specifics..."

That statement just might explain it.

Maybe the reason Thomas Massie doesn't care about this forum and, in turn, Shelby County is because he thinks he already has won. Mr. Massie was elected county judge/executive in Lewis County in 2010, and he resigned shortly after having won the Republican primary for Congress earlier this year. Our own judge-executive, Rob Rothenburger, ran statewide for Agricultural Commissioner last year while continuing to perform his elected duties admirably.

Mr. Massie is running in a district just 20 counties wide and won't continue to serve his own constituents. Why would anyone in Lewis County much less Shelby County want to vote for someone who is arrogant enough to believe he has already won and lazy enough to quit the office he was elected to before the end of his term?

Bill Adkins is a defender of the law, an attorney in Grant County. He continues his law practice and serves his clients and his community well while still being able to campaign and participate in the debate we all deserve. That's what I want in my congressman.

In politics, as in every other important thing in our lives, showing up is everything. We need a congressman who will be there.

And, so, I say it again: We deserve better. We deserve better than Thomas Massie, who purposely avoids debates. We deserve better than an elected official who resigns his office while anticipating winning another. We need a candidate willing to debate and who welcomes opposition.

We need a Congressman who will listen to us and be here when we need him.

We need a true public servant who gives all his time and energy back to the voters that elected him.

The purchaser shall be required to execute a bond, with good and sufficient surety, bearing interest at the rate of 12% per annum from the date which is thirty (30) days following the date of sale, until paid, and payable to the Master Commissioner.

The purchaser shall have the privilege of paying all or any part of the purchase price or paying said bond before maturity by paying the balance of the principal together with all accrued interest thereon. If the total purchase price is not paid in cash, the required deposit shall be applied to any expenses incurred by a default of the purchaser. Provided, however, in the event a party of this action is the successful bidder at the sale of the property by the Master Commissioner, then the said party, upon payment of the court costs and sale expenses and any liens or judgments that have been given priority herein over the lien and judgment of said successful bidder/party, shall have its bid credited against its judgment herein.

If the purchaser(s) fails to comply with the terms of the sale then, in such event, the Master Commissioner shall immediately resell the property upon the same terms and conditions as set forth herein, excepting only any necessary changes in the time and date of sale. Possession of the property herein sold shall be given to the purchaser after payment in full of the purchase price and confirmation of the sale by the Bracken Circuit Court. Pursuant to the Judgment herein, the purchaser shall be required to assume and pay all ad valorem property taxes assessed against the property for 2012 and all subsequent years thereafter. The title interest of the parties to the lawsuit will be conveyed without warranty by the Master Commissioner to the purchaser and the purchaser shall receive a deed to property upon payment of the purchase price in full (and costs of sale, if applicable) and after confirmation of the sale by Bracken Circuit Court, subject to any equity of redemption if the property does not sell for two-thirds of its appraised value.

## Toys-For-Tots Toy Drive Begins

Again this year the student organizations HOSA and Skills USA at Mason County Area Technology Center located on Kenton Station Road will host the annual Toys-for-Tots toy drive. This toy drive is to benefit children ages 6-months through 15 years in the seven county Buffalo Trace area. These counties include Mason, Bracken, Fleming, Lewis, Robertson, Adams and Brown. All toys will be collected at the various drop-off locations and then taken to the Tech Center where they will be sorted into the different boy and girl age group for distribution in December. We are requesting the communities, churches, businesses, civic organizations and individuals to help make this a special year for the needy children in our areas at Christmas time. Monetary donations allow us to purchase the hard to fill orders especially teenagers and also shortages in all age groups.

Over the past three Christmas Holidays we have provided toys and gifts to an average of 900 children in the seven county areas.

Please make your toy drops at the various locations near you. We would like new toys and gently used toys.

*Please no clothing items this year.*

Toy Drop-off locations: • Super 8 Motel (US 68) 759-8888, • Auto Zone Maysville (US 68) 564-8707, • Bradford's Home Mart

## “Probably the Toughest Event on Planet” Comes to Maysville

Approximately 9,000 participants will descend upon Big Rock Off-Road Park in Maysville, KY the weekend of Oct.20 & 21 to participate in Tough Mudder, a 12-mile endurance challenge that is the ultimate test of strength, grit, stamina and camaraderie.

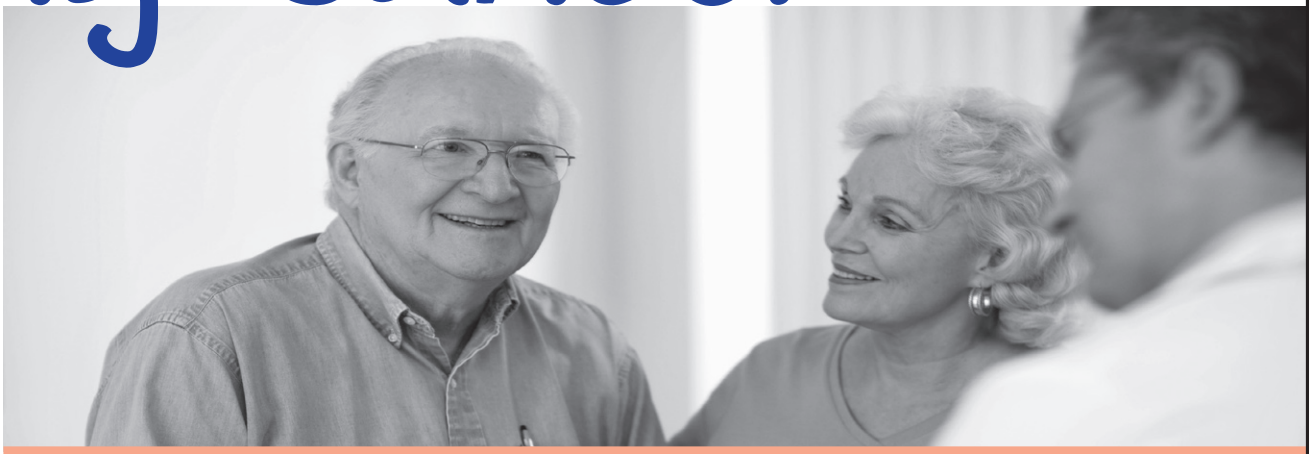

Designed by British Special Forces, Tough Mudder features more than 20 military-style obstacles, such as “Funky Monkey,” greased-up monkey bars; “Fire Walker,” a run through 4-foot-high flames; and “Electroshock Therapy,” a gauntlet of 10,000-volt-charged dangling wires. The event is not about finish times or winning a medal—simply completing a Tough Mudder is a badge of honor. On average, only 78% of participants finish a Tough Mudder event, and with a course designed to be impossible to complete individually, 80% of participants register with a team.

Mudders range from injured veterans to Wall Street executives to pageant queens to 81-year-old grandfathers, such as Edwin Mighell, who completed Tough Mudder Colorado last June. Tough Mudder is more than just a weekend event. With happy hours and training runs, the Tough Mudder community is fiercely expanding. More than 1,000 diehard Mudders have even had the Tough Mudder logo permanently tattooed on their bodies.

Tough Mudder is the largest supporter of Wounded Warrior Project. For more information, visit [www.toughmudder.com](http://www.toughmudder.com).

There will be no on-site parking at Big Rock. All participants and spectators must follow the directional signs to the Tough Mudder designated parking lots and use the shuttle.
